

RG59BU COAXIAL CABLE

RG59BU Coaxial cable, 75 Ohm, with copper clad steel conductor, suitable for CCTV Video transmission applications.

Features:

- RG59BU coaxial CCTV cable
- 75 Ohm impedance
- Solid CCS conductor (Copper Clad steel)
- Solid PE insulation
- CCA (Copper clad aluminium) braided shield
- PVC jacket in black
- Supplied on 100m reel

SPECIFICATION	RG59BU Coaxial cable for CCTV Video transmission
Ref code	RG59BU
Type	Coaxial Cable
Impedance	75 Ohm
Centre core	Copper clad steel conductor 0.584mm
Insulation Dielectric	Solid PE (Polyethylene) 3.7mm
Shield	112 x 0.12mm CCA Braid (Copper clad aluminium)
Jacket	PVC (Poly Vinyl Chloride) Jacket 6.0mm, Black
Voltage rating	30V
Reel	100m
