

RG59CU HIGH QUALITY COAXIAL CABLE

RG59CU High quality Coaxial cable, 75 Ohm, with solid copper conductor, suitable for CCTV video transmission applications.

Features:

- RG59CU coaxial CCTV cable
- 75 Ohm impedance
- Solid Copper conductor (100% Copper)
- Solid PE insulation
- CCA (Copper Clad Aluminium) braided shield
- PVC jacket in black
- Supplied on 100m reel

SPECIFICATION	RG59CU High quality Coaxial CCTV cable
Ref code	RG59CU
Type	Coaxial Cable
Impedance	75 Ohm
Centre core	Solid copper conductor 0.584mm (100% copper)
Insulation	Solid PE (Polyethylene) 3.7mm
Shield	112 x 0.12mm CCA Braid (Copper Clad Aluminium)
Jacket	PVC (Poly Vinyl Chloride) Jacket 6.0mm, Black
Reel	100m
